

# Conference papers par les équipes de Marineland depuis 2010 (ou collaboration)

---

Catteau, S., (2010) Mating behaviour, laying eggs and hatching of *Caretta caretta* at Marineland, *European Union Aquarium Congress (EUAC), Heraklion, Crête*

Muijsers, M., García Hartmann, M., Martel, A. (2011) The use of blow cytology in two delphinid species: The Atlantic Bottlenose Dolphin (*Tursiops truncatus*) and the killer whale (*Orcinus orca*) - *39ème congrès international de l'EAAM (European Association for Aquatic Mammals) Barcelone*.

Garcia Hartmann, M., Liguori, S., Tizzi, R., Blanc, V. (2011) Uncommon screening of captive bottlenose dolphins for toxoplasmosis: Preliminary results, *Conference Paper*

Pavlov V., Rashad A., Beaton, R., Garcia Hartmann M., Roos M., Vincent C. (2011) Development of a new non-invasive dolphin telemetry tag: Design and first results - *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain, 11th – 14th of March, 2011*.

Roos M., Garcia Hartmann M. (2011) Respiration versus Behaviour in Captive Killer Whales (*Orcinus orca*) - *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain, 11th – 14th of March, 2011*.

Fernandez A., Palmero F., Diaz-Delgado J., Arbelo M., Jensen H.E., Garcia Hartmann M. (2011) Granulomatous condritis by zygomicas in a captive-born bottlenose dolphin - *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain*.

Palmero F., Garcia Hartmann M. (2011) Endocrine control of sexual behaviour in two male Patagonian sea lions (*Otaria byronia*) with Goserelin, *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain*.

Garcia Hartmann M., Liguori S., Tizzi R., Techer A., Pomares C., Delaunay P., Blanc V. (2011) Serological screening of captive bottlenose dolphins for toxoplasmosis: Preliminary results, *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain*.

Anasta, Y., Garcia Hartmann M., Le Fleche L., Blanc V. (2011) Uncommon bacterial species isolate in captive killer whales (*Orcinus orca*), *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain*.

Palmero, F., García Hartmann, M., (2011) Endocrine control of sexual behavior in two male Patagonian sea lions (*Otaria byronia*) with Goserelin, *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain*

Catteau S., (2012) Reproducción de *Caretta caretta*, Marineland, Antibes. *Reproduccion de especies en grandes acuarios. Monográfico Zoo de Madrid*

García Hartmann, M. (2012) Suspected side effects of medication in bottlenose dolphins: a review. *Annual Symposium of the European Association for Aquatic Mammals, Madrid*

Cortinovis, L., Zaccaroni, A., Garcia Hartmann, M., (2012) Improvement in sampling and analytical techniques for endocrinological and toxicological researches in marine mammals, *Annual Symposium of the European Association for Aquatic Mammals, Madrid*

Formigaro, C., Parmeggiani, A., Zaccaroni, A., Garcia Hartmann, M., (2012) Comparison of hormonal screening results in placenta tissue and blood of *Orcinus orca*. Non-invasive monitoring of hormones, *33rd annual ISWE meeting, Wien, Austria;*

Zeza L. *et al.*, (2013) « Comparison between plasmatic and faecal hormones levels in different captive species: bottlenose dolphins (*Tursiops truncatus*) and killer whales (*Orcinus orca*) » *41st Annual EAAM Symposium, Nuremberg*

Garcia-Hartmann M., (2013) Dolphin neonate behaviour and management: a review, *Annual Symposium of the European Association for Aquatic Mammals, Nuremberg*

Cortinovis L., Zaccaroni A., Hartmann M.G. (2013). Breeding behaviour and pregnancy detection in nulliparous polar bear (*Ursus maritimus*). *Abstracts of the 2013 EAAM Symposium. p. 13, Nuremberg, Germany, 15-18 marzo 2013*

Coutant & al., (2014) projet Planugwa - récolte de gamètes de corail en Guadeloupe, *Annual symposium of European Union for Aquaria Conservators*

Cortinovis L., (2014) Importance of adrenergic hormones in the management of marine mammals, *Annual Symposium of the European Association for Aquatic Mammals, Tenerife, Espagne*

Garcia Hartmann, M., (2014) Tiermedizin des Killerwhales (*Orcinus Orca*) Fakten und Mythen, *34 Arbeitstagung der Zootierärzte im deutsch sprachigen Raum, Kronberg im Taunus*

Garcia Hartmann, M (2015) « The European bottlenose dolphin studbook: 2004 - 2013 results », *Annual Symposium of the European Association for Aquatic Mammals*

Catteau S., (2017). Husbandry and reproduction of *Caretta caretta*. *Sea Turtle Husbandry Workshop, 9-10 May 2017, Straslund, Allemagne*

Catteau, S. (2017) Better together, join network for seaturtles in European Aquaria, *EUAC, Arnhem, Pays Bas*

Margez G., Chaperon K., Versteegh D., Abramson Z. J., (2018) How did Wikie (*Orcinus Orca*) learn to mimic humans? *conférence IMATA, Portugal*

Oesterwind, M. (2018) First experience from a newly opened sea turtle rescue center, *Transylvania Exotics, Zoo and Wildlife International Congress, Roumanie*

Oesterwind, M. (2018) Selected clinical cases in a sandbar sharks aquarium population, *Transylvania Exotics, Zoo and Wildlife International Congress, Roumanie*

Catteau, S. (2018) Des indicateurs remarquables pour une adaptation au milieu des tortues *Caretta caretta*, *conférence Groupe Tortues Marines France, La Rochelle*

Scala, C., Basseur, I., (2019) Diversification of the diets of marine animals at Marineland Côte d'Azur, *conference EAAM, Portugal*
