

# Communications orales lors de conférences par les équipes de Marineland depuis 2010 (ou collaboration)

Weiss, M., Brasseur, I., Dudzinski, K.M. & Manitzas Hill, H. (2022) "How we trained creative thinking in killer whales?" *50th Annual Symposium of the European Association for Aquatic Mammals, Virtual*

Weiss, M., Brasseur, I., Dudzinski, K.M. & Manitzas Hill, H. (2022) "How we trained creative thinking in killer whales?" *Conference IMATA, Chicago, USA*

Fahlman, A., Tyack, P., Szamokovlija, S., Bruck, J., Almunia, J., Brasseur, I., Zaccaroni, A. & Garcia, D. (2021) Round table: "Role of Marine Mammal Parks in advancing research". *49th Annual Symposium of the European Association for Aquatic Mammals, Virtual*

Brasseur, I. & Alario, Th. (2021) Round table: "Marine Mammal Nutrition: from the sea to the mouth". *49th Annual Symposium of the European Association for Aquatic Mammals, Virtual*

Scala, C., Brasseur, I., (2019) "Diversification of the diets of marine animals at Marineland Côte d'Azur", *47th Annual Symposium of the European Association for Aquatic Mammals, Albufeira, Portugal*

Catteau, S. (2018) Des indicateurs remarquables pour une adaptation au milieu des tortues *Caretta caretta*, *conférence Groupe Tortues Marines France, La Rochelle, France*

Oesterwind, M. (2018) Selected clinical cases in a sandbar sharks' aquarium population, *Transylvania Exotics, Zoo and Wildlife International Congress, Romania*

Oesterwind, M. (2018) First experience from a newly opened sea turtle rescue center, *Transylvania Exotics, Zoo and Wildlife International Congress, Romania*

Margez G., Chaperon K., Versteegh D., Abramson Z. J., (2018) "How and why we trained a copy Sd.?" Best behavior Training awards. *Conference IMATA, Albufeira, Portugal*

Catteau, S. (2017) Better together, join network for sea turtles in European Aquaria, *EUAC, Arnhem, Pays Bas*

Catteau S., (2017). Husbandry and reproduction of *Caretta caretta*. *Sea Turtle Husbandry Workshop, 9-10 May 2017, Straslund, Germany*

Garcia-Hartmann, M (2015) « The European bottlenose dolphin studbook: 2004 - 2013 results», *Annual Symposium of the European Association for Aquatic Mammal, Kolmården, Sweden*

Garcia-Hartmann, M., (2014) Tiermedizin des Killerwhales (*Orcinus Orca*) Fakten und Mythen, *34 Arbeitstagung der Zootierärzte im deutsch sprachigen Raum, Kronberg im Taunus*

Cortinovis L., (2014) Importance of adrenergic hormones in the management of marine mammals, *Annual Symposium of the European Association for Aquatic Mammals, Tenerife, Spain*

Coutant *et al.*, (2014) projet Planugwa - Récolte de gamètes de corail en Guadeloupe, *Annual symposium of European Union for Aquaria Conservators*

Cortinovis L., Zaccaroni A., Garcia-Hartmann M. (2013). Breeding behavior and pregnancy detection in nulliparous polar bear (*Ursus maritimus*). *Abstracts of the 2013 EAAM Symposium. p. 13, Nuremberg, Germany, 15-18 Marzo 2013*

Garcia-Hartmann M., (2013) Dolphin neonate behavior and management: a review, *Annual Symposium of the European Association for Aquatic Mammals, Nuremberg, Germany*

Zeza L. *et al.*, (2013) « Comparison between plasmatic and faecal hormones levels in different captive species: bottlenose dolphins (*Tursiops truncatus*) and killer whales (*Orcinus orca*) » *41st Annual EAAM Symposium, Nuremberg, Germany*

C., Parmeggiani, A., Zaccaroni, A., Garcia Hartmann, M., (2012) Comparison of hormonal screening results in placenta tissue and blood of *Orcinus orca*. Non-invasive monitoring of hormones, *33rd annual ISWE meeting, Wien, Austria*; HYPERLINK "[https://www.researchgate.net/researcher/2029749731\\_Costanza\\_Formigaro](https://www.researchgate.net/researcher/2029749731_Costanza_Formigaro)"

Cortinovis, L., Zaccaroni, A., Garcia-Hartmann, M., (2012) Improvement in sampling and analytical techniques for endocrinological and toxicological researches in marine mammals, *Annual Symposium of the European Association for Aquatic Mammals, Madrid, Spain*

García Hartmann, M. (2012) Suspected side effects of medication in bottlenose dolphins: a review. *Annual Symposium of the European Association for Aquatic Mammals, Madrid, Spain*

Catteau S., (2012) Reproducción de *Caretta caretta*, Marineland, Antibes. *Reproduccion de especies en grandes acuarios. Monográfico Zoo de Madrid*

Anasta, Y., Garcia Hartmann M., Le Fleche L., Blanc V. (2011) Uncommon bacterial species isolate in captive killer whales (*Orcinus orca*), *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain*.

Garcia Hartmann M., Liguori S., Tizzi R., Techer A., Pomares C., Delaunay P., Blanc V. (2011) Serological screening of captive bottlenose dolphins for toxoplasmosis: Preliminary results, *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain*.

Palmero F., Garcia Hartmann M. (2011) Endocrine control of sexual behaviour in two male Patagonian sea lions (*Otaria byronia*) with Goserelin, *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain*.

Fernandez A., Palmero F., Diaz-Delgado J., Arbelo M., Jensen H.E., Garcia Hartmann M. (2011) *Granulomatous chondritis* by zygomices in a captive-born bottlenose dolphin - *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain*.

Roos M., Garcia Hartmann M. (2011) Respiration versus Behaviour in Captive Killer Whales (*Orcinus orca*) - *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain, 11th – 14th of March, 2011*.

Pavlov V., Rashad A., Beaton, R., Garcia Hartmann M., Roos M., Vincent C. (2011) Development of a new non-invasive dolphin telemetry tag: Design and first results - *39th Symposium of the European Association for Aquatic Mammals, Barcelona, Spain, 11th – 14th of March, 2011.*

Garcia Hartmann, M., Liguori, S., Tizzi, R., Blanc, V. (2011) Uncommon screening of captive bottlenose dolphins for toxoplasmosis: Preliminary results, *Conference Paper*

Muijsers, M., García Hartmann, M., Martel, A. (2011) The use of blow cytology in two delphinid species: The Atlantic Bottlenose Dolphin (*Tursiops truncatus*) and the killer whale (*Orcinus orca*) - *39ème Symposium international de l'EAAM (European Association for Aquatic Mammals) Barcelona.*

Catteau, S., (2010) Mating behavior, laying eggs and hatching of *Caretta caretta* at Marineland, *European Union Aquarium Congress (EUAC), Heraklion, Crete*
